Application:

USTA League National and Mid-Atlantic Regulations have full force and applicability at all levels of play in USTA League Tennis in the USTA Mid-Atlantic Section and there is no authorization to modify, amplify or change them by local or State League Coordinators, or Grievance or Grievance Appeal Committees.

USTA League Regulations (National and Mid-Atlantic) are available on the USTA Mid-Atlantic Section website: www.usta.com. Printed below are the USTA Mid-Atlantic Section League Regulations as authorized by the USTA League National Regulations.

(Note: The Mid-Atlantic Regulations are incorporated in teal into the corresponding Paragraphs of the 2019 USTA League Regulations and should be applied in conjunction with those paragraphs)

(Note: Early Start Leagues must be approved in advance by the USTA Mid-Atlantic. For any areas that run Early Start Leagues, any Mid-Atlantic 2019 Championship Year regulation change will be effective December 1, 2018.)

Note: Local League Regulations are located on the last two pages of this document.

USTA LEAGUE

MAJOR REGULATION CHANGES FOR 2019

- 1) 1.04B(5) Sections may have a USTA Certified Referee or Umpire on the Championship Committee at Sectional and lower level championship events.
- 2) 2.05E Automatic appeals by 60 and 65 & over players will be granted unless the player's year-end rating exceeds the clearly above level mark. Players whose appeals are granted will continue to receive "A" ratings and be subject to Dynamic Disqualification.
- 3) Local Playoff Glossary Definition is removed; Local Playoffs are championships, not part of the local season.

Section Regulation Changes

- League Registration after new YE Ratings Published: Players registering for leagues playing in the current calendar year after new Year End ratings are published must register with their previous year-end rating or current self-rating.
- Additional Note: USTA National removed the definition of Local Playoff from the Glossary. Local Playoffs that are entered as Championships in TennisLink are considered Championships and are not part of the local season. This means that players must have played two matches with one (1) default counting to participate in a local playoff.

**THE USE OF THE
NATIONAL TENNIS RATING PROGRAM
AND
NTRP COMPUTER RATINGS
IN
THE USTA LEAGUE**

The National Tennis Rating Program (NTRP) is the official system for determining the levels of competition for the USTA League. The USTA NTRP Computer Rating System assigns ratings based on play in the local league and at championships and select NTRP tournaments.

1. The National Tennis Rating Program (NTRP) Guidelines define the characteristics of the various NTRP skill levels.
2. The USTA NTRP Computer Rating System is the official system to determine computer ratings for players throughout the country who participate in the USTA League. It is a mathematical system that assigns computer ratings to players by direct and indirect comparison of match results obtained from the USTA League and select NTRP tournaments.
3. A valid NTRP rating level is in effect for two years for individuals 60 years of age or older prior to, or during, the League Year and for three years for individuals 59 years of age or under, or until another valid NTRP rating level is generated. (See *Valid NTRP Computer Ratings Table* – inside back cover)
4. Players with a valid NTRP rating level must enter at that level or higher. (See *Valid NTRP Computer Ratings Table* – inside back cover)
5. Players in the USTA League without a valid computer rating must self-rate in accordance with the *General & Experienced Player Guidelines – Supplement to the NTRP Guidelines*. Factors such as a player's on-court performance, tennis background, and any additional information should be considered in the self-rating decision. When players are rating themselves, if they question at which level they should play, they should place themselves in the higher NTRP level of play.
Note: Players who are good athletes or intend to spend a great deal of time taking lessons and practicing should be aware that their improvement may be significant enough to surpass their original self-rating during the local league season or championship play. To avoid NTRP Dynamic Disqualification, these players should enter at a higher NTRP level of play at the beginning of the local league season.
6. In the USTA League Adult Division, dynamic ratings will be calculated at regular intervals for all participants during local league competition, at the end of the local league season, and either during, or at the end of, District/Area through Sectional Championships.
7. At the USTA League Adult Division National Championships, players will continue to generate dynamic ratings through their last match played, but there will be no NTRP Dynamic Disqualifications at National Championships.
8. After the USTA League Adult Division National Championships, year-end NTRP published levels will be calculated using USTA NTRP Computer Rating System Procedures approved by the USTA League Committee.
9. In the USTA League Mixed Division, an NTRP level will be calculated for participants who play in that Division exclusively. Year-end ratings will be based on the final dynamic rating generated from local league and championship level competition unless the player has a valid Computer (C) rating from a previous year.

1.04B(3) Sectional Associations. The USTA has 17 Sectional Associations, the names and territories of which are defined in the USTA Bylaws. Each Sectional Association is responsible for the development and implementation of the USTA League within its geographic territory in accordance with the USTA LEAGUE REGULATIONS.

The USTA Mid-Atlantic Sectional League Program shall be governed by the Adult League Committee appointed by the President of USTA Mid-Atlantic.

1.04B(3)a Sectional League Coordinators. Each Sectional Association shall appoint a Sectional League Coordinator to implement and administer the USTA League.

The Championships Committees, except for the National Championships, shall be appointed by the Sectional and District/Area Associations at their respective championships. The Chair of the USTA League Committee shall appoint the Championship Committees for the National Championships.

1.04C Official Information System. TennisLink is the official information system of the USTA League.

1.04C(1) Official League Registration. TennisLink is the official system for registering teams and players for the USTA League. A player's name must be listed on the team roster, as shown in TennisLink, prior to participation in any match. This includes any player who is added to a team roster after the commencement of local league play. Each Section shall establish deadlines and procedures for registering teams in TennisLink. Players shall not be added to the team roster during local league flight play-offs or at any championship.

Each Local League shall establish deadlines and procedures for registering teams on TennisLink. These must be outlined in the League Fact Sheet. Players who submit an appeal of their self-rating through the TennisLink system before their local league deadline for registering players will be permitted to register up to seven days after the notification of their final self-rating. The USTA Mid-Atlantic suggests the following: "Players may be added to a team roster at any time up until the second to last regularly scheduled or rescheduled local league match for their specific team. Players may not be added during local league playoffs as based on USTA National Regulations they are considered championships and players must have played two matches with one default counting to participate in local league playoffs."

Players registering for leagues for the current calendar year after new Year End ratings are published must register with their previous year-end rating or current self-rating.

1.04C(2) Official Score Reporting and Standings System. TennisLink is the official system for reporting scores and providing standings for the USTA League. Each Section should establish deadlines and procedures for reporting scores in TennisLink. Unless otherwise established by a Section, the initial entry of match scores into TennisLink must take place within 48 hours of the completion of the match. After match scores have been entered in TennisLink, they must be confirmed by the opposing team within 48 hours of the initial entry or the initial score will automatically be considered valid.

Match results must be reported on TennisLink within 48 hours of the completion of

the team match. This may be done by either the winning or losing team captain, or their designee. The non reporting captain, or designee, should log in to TennisLink and confirm or dispute the reported match scores within 48 hours after they have been reported. After that time, TennisLink auto confirms the score and the results are deemed final and binding unless there is mutual agreement from the captains involved in the match that an error should be corrected. Failure to comply may subject teams to a grievance and/or double default.

Local leagues will decide how to regulate rescheduling of team matches due to rain, inclement weather and/or USTA League-related conflicts.

A team match should not remain uncompleted for more than fourteen days after its scheduled date or the deadline for completing local league match play, whichever occurs first. (This does not preclude a local league coordinator from formally re-scheduling a match date/time where local circumstances require, so long as established dates for completing local play are not violated.)

1.04D Local League.

1.04D(1) Definition. A local league is a team competition in a specified geographic area that applies specific local league regulations and consists of NTRP level(s) with a minimum of two teams per level. A local league may choose to divide any or all NTRP levels into flights. Where flights are used, a playoff structure may be established to determine a champion for each NTRP level (See Reg. 2.01C Competition Format).

Each local league must use the Section Rules for Local Leagues provided by the Section League Committee. No changes/additions may be made without the approval of the League Manager. Each local league must prepare a Local League Fact Sheet and Local League Procedures for their league, i.e. how to score timed matches, rain plans, payment of court fees, play-off information, etc. Neither the Fact Sheet nor the Procedures may include league rules without being approved in advance of the league.

1.04D(2) USTA League Year. The League Year shall be January 1 through December 31, except that the USTA League Committee may authorize the commencement of a local league season prior to January 1, subject to such conditions as may be prescribed by the Committee.

1.04D(3) Local League Season. Each Sectional Association shall determine the dates for the season(s) of the local leagues within its Section. The local league season ends on the date entered in TennisLink as the league season end date.

The full match schedule for any local league must be published in TennisLink prior to or within seven days following the first match.

1.04D(4) Team. A team shall consist of players eligible to compete at a specific NTRP level of competition in accordance with the following table. A Section may limit the number of players on a team who have an individual NTRP level below the team NTRP level. A Section may also limit the number of players who appear on a team roster, but may not have fewer than the minimum number of players as shown in the following table:

All Divisions will have a roster limit of no more than 20 players, excluding all levels of Tri-Level which will be limited to 22 players. Local Leagues may limit roster size further if they so choose.

The exception is the Adult Division 55 & Over Age Group that uses combined NTRP rating levels and will not be required to comply with this Regulation.

This regulation does not apply to the Adult 65 & Over Age Group.

1.04E Player Eligibility.

1.04E(1) Domicile and Residency Requirements. Any individual who competes in the USTA League must be domiciled within the boundaries of a USTA Sectional Association or participate through a USTA Direct Member Club. Residents of foreign countries who meet membership and age requirements may be invited by a USTA Section to participate in the USTA League Program provided that all such matches are played within the Section. Sections may create residency requirement rules to encourage and foster local league play.

Mid-Atlantic will have no residency requirements for local league play.

1.04E(2) Membership. All individuals who compete in the USTA League must be current USTA members in good standing through the local league season. Any individual who progresses to a championship level in the USTA League must be a current USTA member through each championship progression.

1.04E(3) Age. Each player shall have reached the required minimum age prior to or during the calendar year in which such player participates in his or her first local league.

1.04E(4) Player Agreement. All players participating in the USTA League, as a condition of said participation, agree to abide and be bound by the USTA Constitution and Bylaws; the USTA LEAGUE REGULATIONS; the FRIEND AT COURT - *The USTA Handbook of Tennis Rules and Regulations* including THE CODE and Wheelchair Rules of Tennis (unless modified by these USTA LEAGUE REGULATIONS); and the standards of good conduct, fair play and good sportsmanship.

1.04E(5) Waiver of Claims. Players participating in the USTA League acknowledge the risks associated with playing competitive tennis, accept those risks voluntarily, and in consideration of their acceptance in the USTA League Program, assume all risks for bodily injury, waive all claims for injury and property damage and release and hold harmless the USTA and the host facility, their officials, employees and agents with respect to any injury or loss caused by negligence or otherwise to the fullest extent permitted by law.

1.04F Official League Rating Program. The National Tennis Rating Program (NTRP) is the official system for rating levels of competition for the USTA League.

1.04F(1) Entry. A player without a valid NTRP rating level in TennisLink, a returning player with an expired NTRP rating level, a Tournament Exclusive (T) rated player or a Mixed Exclusive (M) rated player who does not have a valid computer (C) rating from a previous year and chooses to participate in the Adult Division, must self-rate to enter the USTA League Program. A player with a valid NTRP rating level in TennisLink must use that rating to enter the USTA League Program as shown in the following table:

NTRP RATING LEVEL FOR ENTRY INTO LEAGUE PLAY

Items in Teal are USTA Mid-Atlantic League play specific.		

Mid-Atlantic counts Tri-Level match results toward year-end ratings.

1.04F(1)a Rating levels are derived in accordance with the USTA NTRP Computer Rating System Procedures. Once a player is assigned a valid Computer (C) NTRP rating level, it is valid for the Adult and Mixed Divisions for all players 59 years of age or under for three consecutive years or until another NTRP published rating level is generated. For players 60 years of age or over, a valid Computer (C) NTRP rating level is valid to play in the Adult and Mixed Divisions for two consecutive years or until another NTRP published rating level is generated. (See Reg.1.04F(1)b and c and *Valid NTRP Computer Ratings Table* — inside back cover).

1.04F(1)b Mixed results will not be part of generating a player's year-end rating, except for those players who participate in the Mixed Division exclusively. A player who plays in the Mixed Division exclusively will receive a published Mixed Exclusive (M) rating level at year-end unless they have a valid Computer (C) rating level from a previous year on file in TennisLink. A published (M) rating level is valid to play in the Mixed Division exclusively and will be in effect for players 59 years of age or under for three consecutive years and for players 60 years or older for two consecutive years or until another published NTRP rating level is generated. A player who plays exclusively in the Mixed Division and subsequently chooses to participate in the Adult Division must enter by using a valid Computer (C) rating from a previous year. If such player does not have a valid (C) rating from a previous year, he or she must self-rate with the minimum NTRP rating level being the higher of the self-rating or valid Mixed Exclusive (M) rating.

1.04F(1)c A player who plays exclusively in NTRP tournaments and subsequently chooses to participate in the Adult Division must enter that Division by using a valid Computer (C) rating from a previous year. If such player does not have a valid (C) rating from a previous year, he or she must self-rate with the minimum rating being the higher of the self-rating or valid Tournament Exclusive (T) rating.

Match results from Mid-Atlantic NTRP Tournaments in TennisLink will be included in the year-end ratings.

1.04F(1)d Players who do not have a valid NTRP rating level on file in TennisLink shall self-rate in accordance with the *General & Experienced Player Guidelines – Supplement to the NTRP Guidelines* and complete the self-rating process on TennisLink when registering for a team. Players who allow someone else to complete the self-rating process for them will be ultimately responsible and held accountable for information submitted or omitted. Failure to self-rate in accordance with the *Guidelines*, or omission of information regarding a player's tennis history, will subject the player as well as the captain and/or others who completed, assisted, condoned and/or approved an inappropriate self-rating to penalties and suspension. Players whose self-ratings are determined to be inaccurate or inappropriate shall be disqualified. (See Reg. 3.03E(1)a).

1.04F(1)e Self-ratings are valid for two years from the date issued or until replaced by a dynamic or computer rating.

1.04F(1)f TennisLink will automatically remove expired computer and self-ratings thereby allowing individuals to self-rate. Players with expired ratings will not be allowed to self-rate at a lower level than their last valid NTRP rating level. However, when assigned an NTRP rating level by TennisLink, the player will have the opportunity to file a Self-Rate Appeal.

1.04F(1)g Each Sectional Association shall designate a committee to handle Self-Rate Appeals for those who appeal their assigned self-rating level. This committee may be the same, in whole or part, as the Sectional League Grievance Committee that handles NTRP Grievances. Players who appeal their rating and anyone acting on their behalf will abide by the Self-Rate Appeals Committee's decision without further right to appeal same, except that the Committee may reconsider its decision in the event there has been a clear factual error made by the Committee. Players granted an appeal of their self-rating may be subject to NTRP Grievance based only on newly discovered or missing information not previously considered. (See *General & Experiences Player Guidelines – Supplement to the NTRP Guidelines*.)

1.04F(1)h Valid NTRP Computer Ratings: (See *Valid NTRP Computer Ratings Table* – inside back cover).

1.04G Player Participation Eligibility.

1.04G(1) League players may play in the USTA League Adult and Mixed Divisions during the same local league season.

1.04G(2) A player may play on only one team in an NTRP level within an Age Group in the same local league during the same season. In local leagues where NTRP levels are divided into flights, a player may not play in more than one flight.

1.04G(3) A player may play on more than one team in an NTRP level within an Age Group in the same season provided it is in separate local leagues. The Section has the authority to accept or deny participation.

Mid-Atlantic authorizes participation on more than one team in an NTRP level provided it is in separate local leagues as stated above. A captain may not captain a second team within the same age group and NTRP level in the same local league.

1.04G(4) A Section may authorize participation in more than one NTRP level within an Age Group in the same local league during the same season.

Mid-Atlantic authorizes participation in more than one NTRP level as stated above.

1.04G(5) A player may play up to one NTRP level above the player's current NTRP level.

1.04G(6) A player who qualifies to advance to championships on more than one team may be required by the Section to choose which team he or she will represent.

Players who qualify for an Adult 18 & Over, Adult 40 & Over, Adult 55 & Over and/or Adult 65 & Over team(s) may advance on more than one team within an age group only if they are different NTRP levels. Players who qualify for a Mixed Doubles 18 & Over and/or Mixed Doubles 40 & Over team(s) may advance on more than one team within an age group only if they are different NTRP levels. No accommodations for scheduling will be made at any Championship for teams with players that may be competing on two or more teams during a championship.

1.04G(7) At any National Championship, if a player qualifies for two or more teams at the same NTRP level for an event, the individual must declare which team he or she will represent. In the absence of a declaration, the first match played will determine which team he or she will represent.

The first match played will be the determination for any Championship within the Mid-Atlantic Section.

1.04G(8) A player may participate in only one individual match within each team match.

1.04G(9) A player who participates in the USTA League in violation of any provision of Section 1.04G *Player Participation Eligibility*, shall be subject to an Eligibility Grievance as defined in Section 3.02D *Eligibility Grievance*.

Rule 1.04G authorizes players and captains to participate on more than one team under certain conditions. Specifically in Mid-Atlantic Section and for any Division, whether or not that Division results in Sectional Championship competition:

Player limitation for leagues which advance to Sectional Championships: only three players may be members together on another team in the same Division, within an age group, at the same team NTRP level, during the same season. It is the same season if there is an overlap in the local league scheduled match dates. The infraction occurs at registration.

If you have two leagues that are the same Division, same Age Group and same NTRP level then the three player rule applies.

Division: Adult, Mixed, Tri-Level

Age Groups: 18 & Over, 40 & Over, 55 & Over, 65 & Over

NTRP Levels: 2.5, 3.0, 3.5, 4.0, 4.5(+), 5.0, 5.5+, 6.0, 7.0, 8.0, 9.0, and Tri-Level 2.5-3.5, 3.0-4.0, 3.5-4.5, 4.0-5.0

Where violations of this rule occur, penalties are established as (a) immediate disqualification from the second (or any subsequent) team of all players who are members together on another team, except for the first three such players, the order of registration as recorded in TennisLink being the determinative factor, unless one or more of the players subject to disqualification has not played a match for either team, in which case any one of them may select which team to be removed from to cure the violation; and (b) forfeiture of all matches played by the disqualified players on behalf of the second (or any subsequent) team. The disqualified players may continue to participate on their other team(s) without penalty, and to register for additional teams consistent with Rule #11 and any registration deadlines.

1.05 Official Ball. In USTA League matches, a standard Type 2 USTA approved ball shall be used. The use of any USTA “transition” ball is prohibited.

2.00 USTA LEAGUES REGULATIONS.

All USTA League Regulations in 1.00 GENERAL, 3.00 GRIEVANCE PROCEDURES and the following Regulations in this section shall apply to USTA League Adult and Mixed Divisions except for Reg. 2.04 NTRP DYNAMIC DISQUALIFICATION AND REVIEW PROCEDURES which shall apply only to the USTA League Adult Division.

Adult Division, 18 & Over 5.0+ team rosters may include up to two (2) players from the next higher NTRP level. 		6.0-7.0-8.0, 7.0-8.0-9.0	
Items in Teal are USTA Mid-Atlantic League play specific.			

2.01B Men, Women and Mixed Doubles. Men’s and women’s leagues shall be separate at each approved NTRP level in the Adult Division. Leagues in the Mixed Division are comprised of a man and a woman who combine to play in each individual match. The local league shall determine which of these approved NTRP levels in Reg. 2.01A(4) shall be available for men, women and mixed genders in local league competition.

2.01C Competition Format.

2.01C(1) Round Robin. Each NTRP level within a local league shall play at least one round robin competition wherein every team plays every other team. When any NTRP level consists of only two teams, each team is required to play a minimum of three team matches, which is a triple round robin. When any NTRP level consists of only three teams, each team is required to play a minimum of four team matches, which is a double round robin. Any NTRP level may be divided into flights and each team shall play every other team in its flight. The flight winners may enter a playoff structure to establish a local league champion for that NTRP level.

2.01C(1)a Each Sectional Association may permit additional matches, selected randomly, within a flight.

2.01C(1)b Each Sectional Association may permit additional cross-flight matches in which each team in one flight plays an equal number of matches in the other flight, selected randomly if not a full round robin.

2.01C(1)c Each Sectional Association may permit the top teams in a flight to play an additional round robin to determine advancement, and the teams without a mathematical chance to advance may play an additional round robin.

Mid-Atlantic authorizes the use of 2.01C(1)a, 2.01C(1)b and/or 2.01C(1)c within its local leagues.

2.01C(2) Team Match. Each team match in a local league shall consist of such number of individual matches of singles, doubles, or any combination thereof as determined by the local league. Each team must have the minimum number of players available to play the majority of individual matches. If one team does not have the minimum number of players, the opposing team will be credited with winning each individual match. If neither team has the minimum number of players, the match shall be scored as a double team default, and neither team receives credit for a win. In the case of a team default or double team default any individual matches actually played will only count for NTRP ratings and eligibility for advancement and cannot count for determining standings.

If both teams have the minimum number of players available, but the combination of individual defaults given by the two teams would result in the majority of matches not being played, the teams must follow the procedure established by the Sectional Association, as required below, to ensure that a majority of individual matches are played.

Each Sectional Association shall establish procedures to determine the 1) flight standings in the event of a team default or double team default and 2) actions to take when the combination of individual defaults given by the two teams in the

team match results, or would result, in a situation where the majority of the individual matches are not played. If no such procedures have been established, the match will result in a double team default.

The first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards.

If both captains cannot come to an agreement on what lines will be played to constitute a valid team match, based on the number of players present, or to be present, then the match is scored as a double default. Individual matches played in conjunction with a specific match number may not be moved to make another team match valid.

2.01C(3) Match Scoring and Formats. It is recommended that all matches be the best of three tiebreak sets with a match tiebreak in lieu of a third set. The match tiebreak shall be scored as one set and one game for tiebreak purposes. For play at or below the Sectional level, the Sectional Association may authorize the use of other USTA approved scoring methods and other scoring methods that are compatible with the USTA NTRP Computer Rating System. Other match formats include: best of three tiebreak sets with a set tiebreak at 6-all, pro-set matches, a single set with a set or match tiebreak at 6-all and timed matches. No-Ad scoring can be used with any of the above scoring methods. The method of awarding points in order to determine the winning team of a local league team match and the winner of the local league competition may be the same as that used in championship competition or may be another method compatible with the USTA NTRP Computer Rating System selected by the local league. (See Reg. 2.03D *Competition Format* and Reg. 2.03E *Team Match and Scoring* for championship competition.) The scoring in the event of a default or disqualification shall be 6-0, 6-0. Retirements shall be scored as described in Reg. 2.03N *Scoring of Retirements*.

Mid-Atlantic authorizes the use of other USTA approved scoring methods compatible with the USTA NTRP Computer Rating System at all championships but encourages utilizing the Nationally recommended match scoring and format.

Procedures in the Event of a Tie for Local Play

In the event of a tie, whether in round robin or single elimination, Mid-Atlantic recommends that the tie shall be broken by the first of the following procedures that does so (same as Championship Procedure):

- 1) Individual Matches. Winner of the most individual matches in the entire competition.**
- 2) Head-to-head. Winner of head-to-head match.**
- 3) Sets. Loser of the fewest number of sets.**
- 4) Games. Loser of the fewest number of games.**
- 5) Coin Toss or other procedure to be announced prior to the commencement of local league play.**

If a Local League has a playoff, Mid-Atlantic recommends following the above-mentioned championship procedures in the event of a tie, since TennisLink will defer to championship procedures in a local league playoff. Please refer to national regulation 2.03H.

2.01C(4) Individual Match. An individual match is defined as any singles match or any doubles match played as part of a team match.

2.01C(5) Team Line-Ups. The team captain for each team shall exchange their team line-up simultaneously prior to the beginning of the team match. No substitution may be made in an individual match after the line-up has been presented, except for injury to, illness of, or disqualification of a player prior to the start of such match and except under such further circumstances as a Sectional Association may authorize. If the substitution is made during the warm-up, the substitute player is entitled to a five minute warm-up. The default principles in Reg. 2.03K *Team Defaults* shall be applicable.

An individual match is started when the first ball is put in play. After the start of an individual match, if injury to or illness of a player occurs, the opponents will be awarded a retirement for that individual match only. If a disqualification occurs the opponents will be awarded a default.

A. In the event of illness, injury or disqualification of a player prior to the start of an individual match (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. If no such substitution can be made, the affected position will be defaulted.

B. In the event that a team match must be re-scheduled and starting times are staggered, where opponents are not available and ready to play, defaults will be awarded in the affected position only.

C. Two players will play together in the higher position when both of their partners do not show in order to avoid two defaults. (Note: When dealing with combined levels, this would be permissible only if the two players together would not exceed the combined NTRP level.)

D. A team cannot advance to championships if they are in a position to do so as a result of being the recipient of a full team default. It is the local league coordinator's responsibility to check for full team defaults when determining a team's eligibility to advance. If a team is advancing because they are the recipient of a full team default then all matches played by the defaulting team must be removed from the standings (but will remain in TennisLink) of the round robin where the default occurred. The exception of this rule applies to two team leagues. A team in a two team league cannot advance to a championship if they have defaulted a local league match.

2.01D Coaching. When the scoring method is the best of three tiebreak sets and a 10 minute rest period is taken between the second and third sets, coaching is permitted only during this rest period.

2.02 PROGRESSION.

2.02A Local League.

2.02A(1) Local League Competition. Each team that wins a specific level of local league competition shall be entitled to advance to the next level of competition if otherwise eligible.

2.02A(2) Local League Champions. At the conclusion of local league competition, the Local League Coordinator shall certify to the Sectional League Coordinator the results of the local league competition and the name(s) and address(es) of the team captain(s). Local league competition must be concluded prior to the deadline set by the Sectional Association.

2.02B Championships.

2.02B(1) District/Area Championships. Each Sectional Association shall determine and announce a method of progression suitable for its geographic boundaries for advancement of its local league teams to Sectional League Championships. Such progression may include one or more championships below the Sectional Championships.

2.02B(2) District/Area and Sectional Championship Events. Each Sectional Association shall determine the dates of the championships within the Section. Each championship event ends on the date entered in TennisLink as the championship end date. In the event a championship is not concluded on the date published in TennisLink, then the end date in TennisLink should be amended to reflect the date of the last match played.

Regional Championships:

All local league winners, except for the Singles Division, will advance directly to Regional Championships. No playoff with other local league winners will be required. Only one team per level, per gender, per area will advance to the Singles Regional Championships.

Representation at the Maryland and Virginia Regional Championships will be determined by the number of teams in the league. An additional slot will be extended after every ten (10) teams, ex: 1-10 – 1 team, 11-20 – 2 teams, 21-30 – 3 teams, and so on. The only exception will be Virginia's Adult 18 & and Adult 40 & Over Regional Championships. For these events, an additional slot will be extended after every twelve (12) teams due to court constraints, ex: 1-12 – 1 team; 13-24 – 2 teams; 25-36 – 3 teams, and so on. If wildcards need to be offered to fill the draw it will be extended based on the procedures noted in rule 16 where it pertains to wildcard entries.

The Local Leagues must certify their teams to the League Manager in accordance with the Championship Dates and Deadlines document. The LLC must certify that their team(s) will attend the event with a full contingent of players and that they have abided by all National & Sectional Rules and Regulations.

2.02B(3) Sectional Championships. Each Sectional Association shall hold a Sectional League Championship in each National approved NTRP level for each Division and Age Group, on or before the date specified by the USTA League Leadership, to determine its Sectional champions. The winning team at each NTRP level and Age Group shall be allowed to compete in the USTA League National Championships if otherwise eligible. If the winning team at any NTRP level of competition is unable to compete further towards the National Championships, then the Sectional League Coordinator may select the second place team for such further competition, etc.

The team(s) certified by each League Manager as its Regional Championship winner is entitled to advance to the Sectional Championship. The areas must certify their winning teams to the Tournament Director in accordance with the Championship Dates and Deadlines document. Further, the League Managers and/or Local League Coordinators must certify that their teams will attend Sectionals with a full contingent of players, and that their teams have abided by all National & Sectional Rules and Regulations.

The Mid-Atlantic Adult 18 & Over Section Championships will have 6 teams at each gender and level, where appropriate. Of the 6 teams eligible to participate, if the Director of Leagues has determined that it is appropriate, then 2 shall come from Virginia, 2 from Maryland, 1 from DC and 1 from West Virginia.

All other Age Groups will have one team per Region (Maryland, DC, Virginia and West Virginia) at each gender and level, unless wild card(s) are needed.

2.02B(4) National Championships. The team winning the National Championship in each NTRP level of competition in each Age Group of the Adult and Mixed Divisions shall be the USTA League National Champion.

2.03 DISTRICT/AREA, SECTIONAL AND NATIONAL LEAGUE CHAMPIONSHIPS.

2.03A Eligibility.

2.03A(1) The District/Area or Section has the authority to determine the progression of teams to its championship competition by determining a champion of the preceding level of competition in its NTRP category or by using the *Championships Wildcard Procedures*. Champions of the preceding level of competition must be included in the progression if otherwise eligible.

Winning teams not able to participate in the corresponding League Championship tournament must notify the Tournament Director of their intention not to participate at least ten (10) days prior to the start of the Tournament. In order to participate at a Regional or Sectional Championship teams must put down a \$150 refundable deposit to hold their spot. Teams that withdraw less than ten (10) days prior to the start of the tournament will lose the refundable deposit required to hold their spot (see tournament notes).

Regional and Sectional Wild Card Procedure:

When needed, a wildcard entry may be extended to the next place team from a specific local league (i.e. NOVA Daytime) in a local area based on a random draw proportionate to the number of teams at that specific league and level in each area, until the draw is filled.

If the selected team is unable to accept, the wild card will move on to the next specific league and local area randomly selected until the wild card spot is fulfilled or all options have been exhausted.

If there are less than five business days prior to Championships the Tournament Director may modify this procedure.

To be eligible to advance to Championship competition, a team must have registered the minimum number of players required by Rule 1.04D(4), and played the minimum number of matches required by Rule 2.01C(1) in accordance with the Championship Dates and Deadlines document.

At Tri-Level Sectionals match play must be in order of strength – no player may play above a player with a higher rating and players may not play up without the approval of the Tournament Director.

2.03A(2) Participation. A player may participate in only one individual match within each team match.

2.03A(3) In the Adult and Mixed Divisions, a player is eligible to progress to championship level competition below National Championships if that player has played on the same team in at least two matches at the same NTRP level in the same Age Group during its local league season and is otherwise eligible. A maximum of one default received by the player during local league competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions. (See *Matches Required to Advance to Championships Table*.)

2.03A(4) In the Adult and Mixed Divisions, a player is eligible to advance to National Championship competition if that player has played on the same team in at least three

matches at the same NTRP level in the same Age Group through Sectional Championships and is otherwise eligible. A maximum of one default received by the player during local league or championship competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions. (See *Matches Required to Advance to Championships Table*.)

2.03A(5) At all Championships, a minimum number of team members as shown in the following table, who were on the final roster of their local league team at the conclusion of local league play, must be available and eligible to compete or to combine and compete, as appropriate. The required minimum number of team members may be reduced with an approved waiver, but to not less than the minimum as noted in the following table. At Sectional Championship level and below, the Championship Committee may grant such a waiver. At the National Championships a committee comprised of the USTA League Chair, Vice-Chair and the National League Administrator may grant such a waiver.

2.03C Scoring. It is recommended that all matches be the best of three tiebreak sets with a match tiebreak in lieu of a third set. The tiebreak shall be scored as one set and one game for tiebreak purposes. For championship play at or below the Sectional level, the Sectional Association may authorize the use of other USTA approved scoring methods and other scoring methods that are compatible with the USTA NTRP Computer Rating System. Other match formats include: best of three tiebreak sets with a set tiebreak at 6-all, pro-set matches, or a single set with a set or match tiebreak at 6-all. No-Ad scoring may be used with any of the above scoring methods.

2.03D Competition Format. The Championship Committee shall determine the format for the competition. It may be round robin competition, single elimination competition or a combination of the two.

2.03D(1) Competition Format At Section Level Events and Below. The Sectional Association shall determine the format for the competition.

2.03D(2) Competition Format At National Championships. The USTA League Committee shall determine the format for the competition.

2.03E Team Match and Scoring. A team match will consist of the matches as shown in the following table. The team winning the majority of individual matches will be awarded one team point. For each team match, a majority of the individual matches must actually be played by the two teams to constitute a valid team match. The Championship Committee has the authority to determine the actions to take when the combination of individual match defaults given by the two teams in the team match would result in a situation where the majority of the individual matches would not be played.

2.03F Substitutions. No substitution may be made in an individual match after the line-up has been presented, except for injury to, illness of, or disqualification of a player prior to the start of such match, and except under such further circumstances as the Championship Committee may authorize. If the substitution is made during the warm-up, the substitute player is entitled to a five minute warm-up.

At Regional and Sectional Championship events, if a team defaults an individual match without prior notice and before either team line-up is made public, than the captain of the team receiving said default is entitled to be advised of that fact, and may revise his/her line-up in light of that information.

2.03G Coaching. When the scoring method is the best of three tiebreak sets and a 10 minute rest period is taken between the second and third sets, coaching is permitted only during this rest period.

2.03H Procedures in the Event of a Tie. In the event of a tie, whether in round robin or single elimination competition, the tie shall be broken by the first of the following procedures that does so:

2.03I Individual Defaults. An individual default occurs when a player fails to appear on time, or is disqualified by a tournament official for misconduct.

2.03J Scoring of Individual Defaults. For the purpose of determining standings, individual defaults will be scored as a 6-0, 6-0 win for the player or doubles team receiving the default and a 0-6, 0-6 loss for the player or doubles team that defaulted the match. In the event of a default by both players or doubles teams, both sides will be given a 0-6, 0-6 loss and neither receives credit for a win. If a double default results in a tie, the tiebreak procedure shall be the same as in Reg. 2.03H *Procedures In the Event of a Tie* in order to determine a winner of that team match.

2.03K Team Defaults. In all championships after local league competition, a team must have a minimum number of eligible players available for play in each team match in accordance with the following table or the entire match must be defaulted. The maximum number of positions that may be defaulted without defaulting the entire match is also noted. When defaults are necessary, the defaults shall be determined by the defaulting team captain in accordance with the table below:

ALLOWABLE DEFAULTS AT ALL CHAMPIONSHIPS				
DIVISION	AGE GROUP	MINIMUM NUMBER OF ELIGIBLE PLAYERS REQUIRED TO BE AVAILABLE PER MATCH	MAXIMUM NUMBER OF POSITIONS THAT CAN BE DEFAULTED	REQUIRED POSITION(S) AND ORDER OF MATCH DEFAULTS
Adult	18 & Over 2.5 women & 5.0+	3	1	No. 1 Singles Or No. 2 Doubles
	18 & Over 3.0, 3.5, 4.0, 4.5	4	2	<u>Singles:</u> No. 2 Singles before No. 1 Singles

Items in Teal are additional age groups and levels that USTA Mid-Atlantic will use.				

2.03L Scoring of Team Defaults. If a team defaults an entire team match for any reason during round robin play, that team is ineligible to continue play at that championship. All matches of the defaulting team already played shall be null and void when determining standings but will be used for ratings and advancement purposes. If all teams with a

mathematical chance to advance have played the defaulting team in good faith, those matches shall stand as played when determining standings. The Sectional Association may impose further penalties on the defaulting team.

A team forfeiting an entire team match during championship play may receive further penalties imposed by the applicable Central League Grievance Committee.

2.03M Retirement. A retirement occurs when an individual match has started and a player/doubles team is unable to continue due to injury, loss of condition, emergency or refusal to play.

2.03N Scoring of Retirements. In case of a retirement, for the purpose of determining standings, the non-retiring player/doubles team shall be credited with such number of additional games as would have been won if the match was completed and the non-retiring player/doubles team won every subsequent game. For NTRP computer data entry in TennisLink, mark as *retired* and submit actual scores of match at the point of retirement.

2.04 NTRP DYNAMIC DISQUALIFICATION AND REVIEW PROCEDURES.

2.04A Applicability. The Regulations in this section are applicable only to the USTA League Adult Division.

2.04B NTRP Dynamic Disqualification Procedures. Dynamic ratings will be calculated for all Adult Division players during local league competition and at every level of championship competition below National Championships to determine if any players have reached the NTRP Dynamic Disqualification criteria stated in the USTA NTRP Computer Rating System Procedures. Players subject to NTRP Dynamic Disqualification, as described in the *NTRP Dynamic Disqualification Table* – inside back cover, will be dynamically disqualified if they reach the disqualification level three times based on all matches except retirements received.

2.04B(1) Local League NTRP Dynamic Disqualification. Players who are NTRP dynamically disqualified will be notified by the Sectional League Coordinator or designee and have the right to a review in accordance with the procedures in Reg. 2.04C – *NTRP Dynamic Disqualification Review Procedures*.

2.04B(2) Championships NTRP Dynamic Disqualification. There will be no NTRP Dynamic Disqualifications at National Championships. Players who are NTRP dynamically disqualified at any championship below Nationals will be notified by the Sectional League Coordinator or designee and have the right to a review in accordance with procedures in Reg. 2.04C *NTRP Dynamic Disqualification Review Procedures*. The Section shall choose one of the following options for NTRP Dynamic Disqualifications at each Sectional Championship and below:

The Mid-Atlantic Section has adopted option 2.04B2(a) below.

2.04B(2)a Run dynamic calculations and produce ratings throughout the championship. Through the conclusion of the championship event, notify and disqualify any player who meets the criteria for NTRP Dynamic Disqualification and reverse appropriate matches played. (See Regs. 2.04E(2)a and b for championship scoring procedures when NTRP Dynamic Disqualifications are done throughout the championship competition.)

2.04B(2)b Run dynamic calculations following the conclusion of the championship and disqualify those players who meet the criteria for NTRP Dynamic Disqualification. Matches played will stand. (See Reg. 2.04E(2)c for championship scoring procedures

when NTRP Dynamic Disqualifications are done following the conclusion of championship competition.)

2.04B(3) Following an NTRP Dynamic Disqualification, the player may not play at the disqualified NTRP level of play or any lower NTRP level of play in either singles or doubles for the remainder of the Championship Year and for the succeeding Championship Year. In any Division using combined levels, the combined NTRP rating of the disqualified player and partner may not surpass the level of competition. A player who has been moved up as a result of an NTRP Dynamic Disqualification in the Adult Division must immediately adjust his/her NTRP level of play in the Mixed Division.

2.04B(4) Players who are NTRP dynamically disqualified may be allowed to move up and participate on another team at a higher NTRP level during that same local league season provided registration has not closed.

2.04B(5) Individuals who receive their third strike while participating in an Early Start League (ESL) must immediately adjust their NTRP level of play. Such players may not participate at the disqualified NTRP level in a previous year's championship for which they may have qualified.

2.04B(6) In the local leagues and at District/Area or Sectional Championships, if the NTRP Dynamic Disqualification of a player is not upheld by the NTRP Dynamic Disqualification Review Committee, a second NTRP Dynamic Disqualification will be considered if warranted by additional data.

2.04C NTRP Dynamic Disqualification Review Procedures. Reviews are based solely on missing or incorrect data.

All Mid-Atlantic Sectional NTRP reviews will be handled by a committee comprised of the Mid-Atlantic NTRP Grievance Committee and Sectional Liaison.

2.04C(1) Local. If the team captain or the player disqualified in the local league desires a review of the NTRP Dynamic Disqualification, a written request must be submitted to the Sectional League Coordinator or designee asking for a review before the NTRP Dynamic Disqualification Review Committee of the nearest jurisdiction, within the deadline set by the administrator. The written request for a review shall be delivered by the recipient to the Chair of the NTRP Dynamic Disqualification Review Committee. A review shall be held as soon as reasonable.

2.04C(2) Championship. If the team captain or the player disqualified during or after the conclusion of championship competition desires a review of the disqualification, a written request must be submitted to the Tournament Director, Sectional League Coordinator or designee, asking for a review before the NTRP Dynamic Disqualification Review Committee of the nearest available jurisdiction within the deadline set by the Chair of the Championships Committee or designee. The written request for a review shall be delivered by the recipient to the Chair of the NTRP Dynamic Disqualification Review Committee. A review shall be held as soon as reasonable.

2.04D NTRP Dynamic Disqualification Review Committees.

2.04D(1) The Sectional Association shall appoint an NTRP Dynamic Disqualification Review Committee at the Sectional level and at championships below the National Championships to consider reviews of NTRP Dynamic Disqualifications. The Sectional Association may delegate such authority to the District/Area which may not be further delegated. The committees shall be appointed with the approval of their respective League Coordinator.

2.04D(2) The members of any NTRP Dynamic Disqualification Review Committee may be the same as, or different in whole or in part from, the members of any other Sectional, District/Area Committees or Championship Committees below the National level.

2.04D(3) The Committee Chair or designee shall immediately notify the affected players and team captains in writing of its decision.

2.04D(4) There shall be no further right of appeal of the decision of any NTRP Dynamic Disqualification Review Committee.

2.04D(5) The NTRP Dynamic Disqualification Review Committees for all local leagues and championships shall observe the review and disqualification procedures approved by the USTA League Committee.

2.04E Scoring Procedures.

2.04E(1) Local. In the event of an NTRP Dynamic Disqualification from a particular level of play, the Section shall determine and publish in its regulations what matches, if any, shall be considered losses. The disqualified matches shall be considered 6-0, 6-0 wins for the opposing player or doubles team.

If a Self-Rated (S), Self-Rated Appealed (S), Computer Appealed (A), Medical Appealed (A) and/or Dynamic (D) player is promoted from a particular level of play, the player shall cease play immediately from the NTRP level being promoted from and graduate to the next higher NTRP level.

During local league: all matches played at that level shall be forfeited. The exception being the Plus (+) leagues e.g., if either a 4.5 or 5.0 self-rated player competes at the # 1 position on a 4.5+ or 5.0+ team respectively and subsequently receives 3 strikes and is disqualified, those matches will stand, assuming the team is still in compliance with National Regulation 2.01A(1). Matches played at lower positions will be forfeited.

The player may register on a team at the higher level if otherwise eligible to do so. The Sectional office shall issue notice of NTRP disqualification promptly to the player and the Team Captain as designated on the TennisLink team roster, with a copy to the League Manager and Local League Coordinator (Captains and players are encouraged to provide e-mail address information when registering on TennisLink, and to update such information as necessary, to facilitate timely notice in the event of disqualification.)

2.04E(2) Championship.

The Mid-Atlantic Section has adopted option 2.04E(2)a and 2.04E(2)b below.

In the event that the Scorekeeper is unable to connect to TennisLink in "real time" during a championship event, upon notice to that effect the Tournament Committee may make an irrevocable election to suspend Rule 2.04B(2)a and instead follow the procedure outlined in Rule 2.04B(2)b for the event in question. Whenever such an election is made, 2.04E(2)c shall likewise be in effect.

2.04E(2)a NTRP Dynamic Disqualification Done Throughout Championship Competition When Using a Round Robin Format or Segment. If the Section chooses to calculate dynamic ratings and disqualify throughout the championship, all matches played by a dynamically disqualified player shall be considered losses and those matches shall be considered 6-0, 6-0 wins for the opposing player or doubles team.

2.04E(2)b NTRP Dynamic Disqualification Done Throughout Championship Competition When Using a Single Elimination or Segment. If the Section chooses to calculate dynamic ratings and disqualify throughout the championship, the last individual match played by a dynamically disqualified player shall be considered a loss and that individual match shall be considered a 6-0, 6-0 win for the opposing player or doubles team.

2.04E(2)c NTRP Dynamic Disqualification Done Following Conclusion of Championship Competition. If the Section chooses to calculate dynamic ratings and disqualify following the conclusion of the championship, all points earned by dynamically disqualified players at the championship will stand but the disqualified players will not be allowed to continue or advance.

2.05B3(a) Players who are found to have valid computer ratings, after the appeal process, that place them at the clearly above level mark must immediately adjust to their new NTRP level. Prior team matches played are valid.

2.05B3(b) Players who are found to have valid computer ratings, after the appeal process, that place them above the NTRP level at which they are competing may continue their participation at the lower NTRP level through the conclusion of any Early Start League in progress or until such other date or championship level as determined by the Section. They shall not be permitted to advance to any National Championship at the lower NTRP level. Prior team matches played are valid.

2.05B3(c) Players on a 2.5 team who are found to have valid computer ratings, after the appeal process, that place them above the 2.5 NTRP level

2.05D Medical Appeals. If an intervening, permanently disabling injury or illness indicates that a player's current NTRP computer rating level may be too high, the player may request a medical appeal of such rating level in accordance with *USTA League NTRP Medical Appeal Procedures – Questions and Answers*.

2.05D(1) Each Sectional Association shall designate a Medical Review Committee(s) to evaluate medical appeals. The members of the Committee are to be approved by the Sectional League Coordinator.

If said Committee deems the medical appeal should have further consideration, it will be forwarded to the National Medical Appeal Committee for a final decision.

2.05D(3) The Chair of the USTA League Committee shall appoint a National Medical Appeal Committee to evaluate all medical appeals forwarded from the Sectional Associations. No member of the National Medical Appeal Committee shall have been a member of the Section designated Medical Review Committee who forwarded the medical appeal.

3.03E(1)a Any self-rated player who is playing at an NTRP level lower than his/her actual skill level is subject to an NTRP Grievance. If an NTRP Grievance Committee determines that the self-rated player has an inaccurate or inappropriate self-rating, the

player shall be disqualified and have his/her NTRP level adjusted by the NTRP Grievance Committee. Scoring of matches played by the disqualified player, per Reg. 3.03E(6), may be administered in accordance with Reg. 3.03B(4) *Scoring of Eligibility Disqualification in Local League* and Reg. 3.03C(4) *Scoring of Eligibility Disqualification for Championships*. The NTRP Grievance Committee may additionally impose other penalties against a player who has inappropriately self-rated, including suspension. Also, a captain or others who have completed, assisted, condoned or approved inappropriate self-rating will be subject to such penalties as the NTRP Grievance Committee may decide, including suspension.

3.03E(1)b A player with a valid NTRP Computer (C) rating or granted an Automatic Appeal (A) rating of a Computer (C) rating is not subject to an NTRP Grievance. Players 60 or over and players 65 or over who are promoted and granted an appeal per Reg. 2.05E are also not subject to an NTRP Grievance. Any other player is subject to an NTRP Grievance including players with granted Medical Appeals.

3.03E(2) Any league captain, coordinator or member of a Championship Committee may file an NTRP Grievance.

3.03E(3) NTRP Grievances may be filed against a player at any time up to 48 hours after the conclusion of the Sectional Championship of the player's team, whether or not the player participated. NTRP Grievances will not be accepted at National Championships.

3.03E(4) Local League Competition. NTRP Grievances shall be filed in writing with the Local/District/Area League Coordinator or designee having jurisdiction. NTRP Grievances shall be administered by the Sectional League NTRP Grievance Committee of the player against whom the NTRP Grievance was filed.

3.03E(5) Championship Competition. NTRP Grievances shall be filed in writing with the duly appointed site director or designee having jurisdiction. NTRP Grievances shall be administered by the Sectional League NTRP Grievance Committee of the player against whom the NTRP Grievance was filed. Each Section shall have the option to adjudicate NTRP Grievances prior to, during or after a championship event.

Mid-Atlantic has elected to adjudicate NTRP grievances prior to or after a championship event only. NTRP Grievances will not be processed during a Regional or Sectional Championship.

3.03E(6) NTRP Grievance disqualifications occur when the Sectional League NTRP Grievance Committee reaches such decision and sends notification to the parties involved. The date and time that the Sectional League NTRP Grievance Committee sends notification controls the assessment of penalties, including the scoring of matches, which shall be administered in accordance with USTA League Regulations 3.03B(4) *Scoring of Eligibility Disqualification in Local League* and 3.03C(4) *Scoring of Eligibility Disqualification for Championships*.

3.03E(7) Following an NTRP Grievance Disqualification, the player may not play at the disqualified NTRP level of play or any lower NTRP level of play in either singles or doubles for the remainder of the Championship Year and for the succeeding Championship Year. In any Division using combined levels, the combined NTRP rating of the disqualified player and partner may not surpass the maximum permitted combined level for that Division. A player who has been moved up as a result of an NTRP Grievance Disqualification in the Adult Division must immediately adjust his/her NTRP level of play in the Mixed Division.

3.03E(8) Following an NTRP Grievance Disqualification in an Early Start League (ESL), the player must immediately adjust his/her NTRP level of play. The player may not participate at the disqualified NTRP level in a previous year's championship for which the player may have qualified.

The Grievance Appeal Committee shall not impose a harsher penalty than that imposed by the Grievance Committee. RULES FOR LOCAL LEAGUES

1) General League Rules

- a) All leagues must abide by and enforce the rules listed in the USTA League Tennis National Regulations and the Mid-Atlantic Section Rules, for all USTA League play.
- b) Since USTA league matches are unofficiated, the most current edition of Friend at Court, “The USTA Handbook of Tennis Rules & Regulations” and The Code: The Players’ Guide for Unofficiated Matches shall apply in any situation not covered by the rules.
- c) League Registration: Local League registration dates are set by each Local League Coordinator and may be found on TennisLink and on some Local League websites. Late registration is subject to the discretion of the Local League Coordinator. Late team entries may not be accepted after the scheduling process has begun.
- d) Home teams provide USTA approved tennis balls if not provided by the facility/other party.
- e) Team captains handle all team administrative matters and represent their team in USTA League Tennis matters. All communication with the League Coordinators must go through the team captain.
- f) Team captains must be familiar with all Regulations, Policies and Procedures.
- g) Team captains are responsible for fielding a complete team for each match of the league season. Team defaults may affect the final league standings. Therefore teams should play all matches regardless of whether they are in contention for post-season play.

2) Team Rosters

Players may play only one NTRP level above their current computer rating or self-rating. (USTA National Regulation 1.04G(5)). There is no limit to the number of players per team who “play up”, unless it is a 2 team league, in which case each team must maintain its roster with at least 40% of its players at the designated level of play. (USTA National Regulation 1.04D(5)). The exception is the Adult 55 & Over Age Group that uses combined NTRP rating levels and will not be required to comply with this Regulation. The Section allows the same exception for the Adult 65 & Over Age Group.

3) Match Schedules and Match Times

- a) Matches are scheduled according to court availability.
- b) If due to court constraints timed matches are necessary, the minimum allowable match time is 1.5 hours. See Local League Procedures attached for timed match information.

4) Match Rescheduling

- a) **Match Schedules are firm. Matches are to be played on the scheduled date with the following exceptions, and at the discretion of the Local League Coordinator:**
 - i) Facility issues or weather (rain, heat, visibility, etc.)
 - ii) USTA Local Playoff or post season Championship (Regionals, Sectionals, Nationals).
 - iii) LLC sponsored tennis events.

Note: Delays or cancellations due to weather/facility issues are common; therefore, captains are expected to cooperate in the rescheduling process.

- b) Either the Local League Coordinator or the home team determines court playability if weather/court conditions or facility issues are questionable on the day of the match. See attached Local League Procedures for your local league policy.
- c) Inclement weather make up matches must be played within 14 days or the deadline for completing local league match play, whichever occurs first. See **1.04C(2)**. This does not preclude a local

Coordinator from formally re-scheduling a match date/time where local circumstances require, as long as established dates for completing local play are not violated.

- d) If inclement weather or a facility issue occurs after a match has begun, completed individual matches will stand as played and incomplete matches must be resumed by the same players at the exact set, game and point when play was halted. If line-ups are exchanged and no matches have begun, different players can be presented at the make-up match.

5) Match Format & Courts

- a) The Local League Coordinator may schedule any combination of hard courts, clay courts, or indoor courts for league matches.
- b) Warm ups are limited to no more than 10 minutes. If a player arrives late, but before the 15 minute default time, the player is entitled to a 5 minute warm-up. See 2.01C(5) or 7b.
- c) It is recommended that match play consist of best two out of three sets with a match tiebreaker in lieu of a third set using regular scoring and a set tiebreak (first to 7 points by 2 points) at six games all in each set. In the event of split sets, a match tiebreak (first to 10 win by 2) in lieu of a third set shall be played immediately following the end-of-set rest period. The Coman tiebreak procedure will be used for all tiebreaks, unless stated otherwise for indoor matches in the attached Local League Procedures.
- d) In leagues where there are timed matches, refer to the attached Local League Procedures for specific instructions to follow.

6) Line-up Exchange

- a) Team captains must simultaneously exchange line-ups before the match start time. Suggested time is 5 minutes before the match time. Those captains who do not submit the line up before the match start time are subject to the lateness penalties referenced in Local League Rule 7. Printed TennisLink scorecards (showing rosters) may be used.
- b) If a team knowingly begins a team match without a full complement of players for the line-up, they must forfeit from the bottom up. (#2 singles before #1 singles; #3 doubles before #2 doubles.)
- c) If a match is postponed after line-ups have been exchanged, all line-up positions may be changed except for any positions that already started their match (first service attempt). (USTA National Q&A Interpretations, Page 4)

7) Team Defaults and Individual Match Defaults

- a) Captains should notify opposing team captains (by email) of known individual match defaults in advance (USTA National Interpretations, Page 5) Once defaulted, players do not need to show to play and the team receiving the default will be awarded a 6-0, 6-0 score for the court. If unplayable conditions exist (weather, facilities, etc.) and the match is rescheduled, the default is void.
- b) If a player arrives 15 minutes after a scheduled match time, his/her individual match is considered a default. Below are the penalties for lateness::
 - 5 mins. or less late, loss of toss and 1 game;
 - 5:01 – 10:00 mins. late, loss of toss and 2 games;
 - 10:01 – 15:00 mins. late, loss of toss and 3 games;
 - More than 15:00 mins. late, default. If a player arrives late for a match, local league penalties for lateness apply. However, the player is still entitled to a 5 minute warm-up.
 - See Table 16 in Friend At Court
- c) **Team Defaults:** For Leagues with 5 courts, a team may default a maximum of two positions in a match without defaulting the entire match. For leagues with 3 courts, a team may default a maximum of one position in a match without defaulting the entire match

8) Score Entry

If a team match is split up or interrupted by rain or other situation, use the date of the last outstanding individual match for entering the score in TennisLink.

9) Post Season Play

If Local League playoffs are required, playoff formats will be determined by the Local League Coordinator and will be communicated to captains prior to the start of the league season.

10) Captain/Player Conduct

- a) All players and captains are expected to exhibit the highest levels of sportsmanship along with courtesy and fairness. Each league participant is expected to know, and is bound by the National, Section and Local League Regulations.
- b) All matches should be played in good faith and to the benefit of tennis and fair play. Teams are expected to compete to win.

11) Grievances

There is a standard process in the National Regulations: National Regulation 3.00 Grievance Procedures. Grievance and Grievance Appeal Committee members must be approved by the Section. Those local areas not opting into the Central League Grievance Committee must list Grievance and Grievance Appeal Committee members on the Local League Fact Sheet.

12) Miscellaneous Rules

- a) **Medical Time Outs:** No more than one (1) medical time out is allowed per player, per injury. The medical time out can be a maximum of 3 minutes in duration once treatment supplies are on court. Bleeding time outs consist of the time required to stop the bleeding up to a maximum of 15 minutes. If the injured player is unable to continue after the medical time out due to the injury or illness, the match will result in a retirement.
- b) **Cell Phones:** All players' cell phones are to be turned off during all matches. Any match disruptions caused by a cell phone will result in the opposing team being awarded one point.
- c) **Spectators:** No communication and no coaching is allowed between spectators and players.
- d) **Problem match:** If there is a problem on the court with outcalls, foot faults, or delay of game, teams may seek an acceptable (by both) impartial third party to make calls in regards to these concerns. If an acceptable impartial third party is not available, a team captain or team representative from each team may observe the match from a stationary position at the net post. Selected parties must be in DIRECT observation and must remain at the net post (i.e. don't start wandering to baselines). If both agree, out call correction stands. If only one party agrees then player's call stands. In regards to foot faults, before a player may call a foot fault on his opponent, (s)he must first give a warning.
